The Rumble is back!

Sydney's newest and most exciting Mopar car event is back by popular demand. It's one action-packed weekend you won't want to miss!

Brought to you by the Regals Mopar Car Club and Sydney Dragway, the Mopar Rumble kicks off on Saturday November 12 with a "meet-and-greet" at the Museum of Fire at Penrith. Join us for a free BBQ and drinks on the Museum grounds before we head off to Sydney's premier night cruise destination, Harry's Cafe de Wheels at Liverpool.

On Sunday November 13, the event will climax with drag racing, burnout competition, a super cruise, show 'n' shine (with pro judging), dyno comp and trade stands at the world-class Sydney Dragway at Eastern Creek.

With 50 trophies on offer, and even more action than last year, the Mopar Rumble is a must-see for Mopar fans young and old!

Compete at the Rumble

The Mopar Rumble gives you every opportunity to show your stuff:

Dyno comp for those who want the definitive answer to how much power their car has.

Drag racing for those who want the thrill of screaming down the strip, Mopar vs Mopar.

Burnout comp watch over-powered Mopars destroy their tyres and disappear in a cloud of smoke while being unmercifully flung around the burnout pad!

Show 'n' shine for us to see what your Mopar looks like with a coat of polish and some tyre black.

To find out how to enter your car in one or all of these competitions, visit moparrumble.com.
